Create a Writing Assignment Prompt

, W ¶ V b Build your own Writing Assignment Prompt and Rubric in just a few steps.

The screenshot shows the 'Create Writing Assignment' form. At the top, there is a 'Prompt *' field with a 'Select from Prompt Library' button and an 'OR' option. Below this is a rich text editor with a toolbar and a character count of '9763/10000 characters remaining'. A red circle with the number '1' is placed over the text area. Below the editor is the 'Prompt Title *' field, which contains the text 'Observational learning strategy essay'. A red circle with the number '2' is placed over this field. Below the title field is another character count of '219 Characters remaining'. At the bottom, there is an 'Add Resources' section with an 'Attach a File' button. A red circle with the number '3' is placed over this button.

1. Enter your prompt copy in the box. You can include custom formatting, images, or special characters using the tools in the box.

2. Create a Prompt Title, which will identify the prompt in your prompt library. This is different than the Assignment Title that will appear in student V ¶ & R Q Q H F W F R X U V H assignment list.

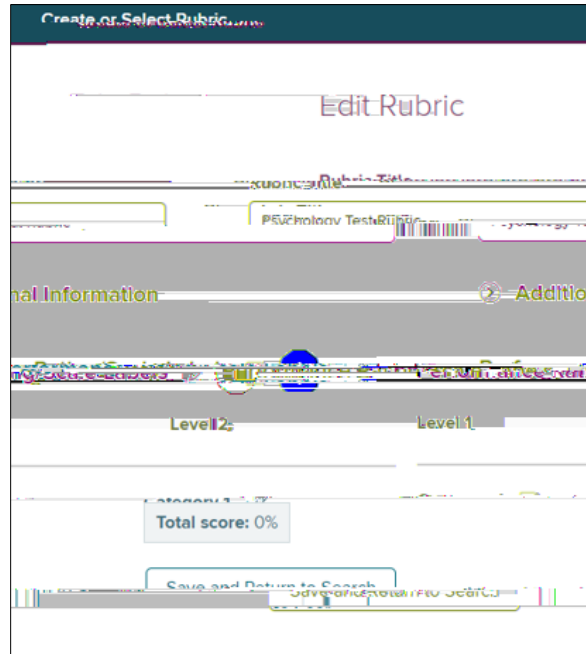

3. Attach any additional files you want students to be able to access for the assignment.
