

Virginia District Improves SOL Performance with Increased Use of McGraw Hill’s Actively Learn

DISTRICT PROFILE

Name
Virginia School District

Locations
Virginia

Grades
6-12

Overview

The district adopted the *Actively Learn*, a digital learning platform for students in grades 6-12. The district implemented the platform in 2015 and has seen a significant increase in student engagement and performance on the SOL. The district is currently using the platform in all classrooms and is planning to expand its use to other subjects.
