

CASE STUDY

Everyday Mathematics promotes fluency and mathematical discourse in Iowa district

ABOUT THE SCHOOL

Name

Johnston Community School District

Location

Des Moines, Iowa

Grades

K–5

Overview

When Johnston Community schools needed a core math curriculum, *Everyday Mathematics 4* was the solution. Achievement results have shown that students at Johnston are succeeding, with more students now testing proficient or advanced than ever before.

ON THE 2017–18 IOWA STATE ASSESSMENT, 91 % OF THE DISTRICT’S THIRD-GRADERS WERE PROFICIENT IN MATH.
