

IMPACT *Social Studies*

Grade Level Scope and Sequence

	Kindergarten	Grade 1	Grade 2
	Learning and Working Together	Our Place in the World	Exploring Who We Are
Content Focus	In <i>Learning and Working Together</i> , children will learn about the foundational concepts of identity, diversity, cooperation, and citizenship. These themes, among others, are explored in the <i>Learning and Working Together</i> theme.	In <i>Our Place in the World</i> , children will begin to orient themselves with their surroundings. They will develop investigative skills that guide them to make connections to the people and places closest to them. They will celebrate community and country through interactive explorations all while building the skills they need to understand their place in the world.
