The screenshot shows the Music Studio interface for a lesson plan. The top navigation bar includes 'Grade K', 'Section 1 Unit 5', and 'Lesson 6'. The main content area is titled 'Spotlight on Music' and includes sections for 'Overview', 'Motivate', 'Apply and Close', and 'Develop'. The 'Motivate' section contains text about opera and a 'Student Text' box with the text 'Look at the picture. It shows an opera house.' The 'Develop' section includes a 'Plot' section with bullet points: 'Listen to 'The Doll Song...', 'Identify if the singing voice is a grown-up or child. (grown-up)', and 'Identify the appropriate audience.' An interactive image of a child is also visible.

## Virtual Instruments

A virtual orchestra that can't in your pocket?  
A banjo complete with chord functionality just waiting to be improvised with? With Music Studio you can augment your acoustic resources to get everyone involved in making more music.
