

Instructions for ReadAnywhere

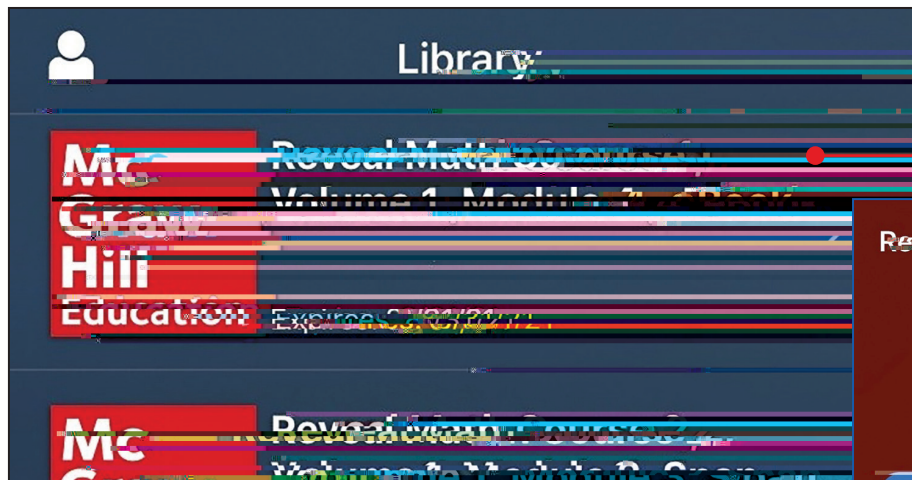

Download the App

1. Go to the app store on your device and search for **ReadAnywhere**.
2. Follow the prompts to install the app on your device.

Navigating the App

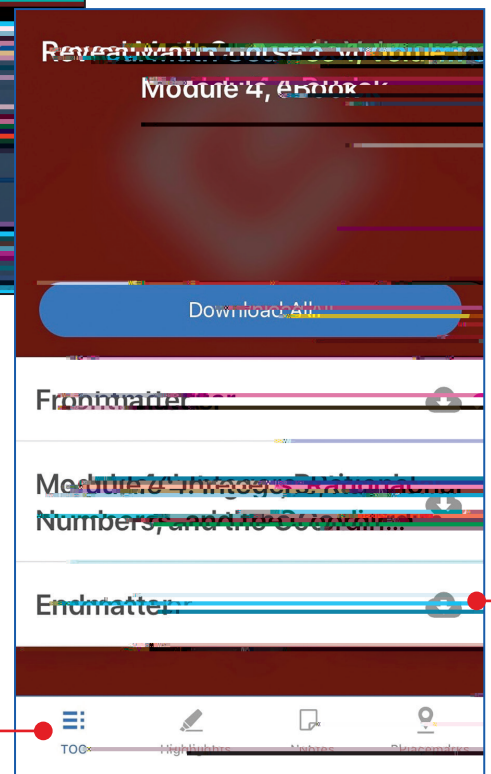

1. Open the app on your device.
2. Sign in using your *Reveal Math*[™] online username (User ID) and password.
3. The Library will list available eBooks. Click on the tile to open the eBook.

4. From the bottom navigation bar, click on the TOC icon to see a list of content.
5. Click on the download button next to the item.

NOTE: Teacher Edition eBooks are split by volume, whereas Student Edition eBooks are split by Modules for faster loading.

- Go back to previous location
- Search key words in the text
- Navigate back to Library
- Navigate back to table of contents
- Swipe left and right to navigate from page to page
- Pinch to zoom in on content
