

From Slavery to Freedom: A History of African Americans, High School Edition (10e) ©2022, Franklin

The Most Revered Chronicling of African American History of our Time

Since its first edition in 1947, *From Slavery to Freedom: A History of*

mountain of scholarship on African Americans informs the book's discussion of several topics, from the development of metallurgy in ancient African civilizations through the story of backlife in the British colonies to the emergence of social movements and activism in communities across the United States from the mid-nineteenth century to present day. This edition of Franklin's work also incorporates new historical actors, including the role of women throughout history, particularly in slavery, abolitionism, the Jim Crow era, and the civil rights/black power movement.

From Slavery to Freedom was written by the late John Hope Franklin, the legendary, award-winning scholar and preeminent historian of African American History. In 1995 President Bill Clinton conferred

and specifically for his work on this classic title. The 9th and 10th editions introduce co-author, Evelyn Brooks Higginbotham, former D 34 BDC B

conflicting voices of the past.
