

Parent Information Sheet: *CMC Level E*

Connecting Math Concepts is a core mathematics program that is aligned to the *Common Core State Standards*. Each lesson covers a variety of topics (for example, subtraction, word problems, geometry) and each topic is developed gradually over many days of instruction to help every child be successful and master the content of the lessons.

Here are some of the topics your child will learn about this year:

- Fractions (add, subtract, multiply)
- Word problems
- Area and perimeter
- Column problems
- Multidigit multiplication and division
