20. (Call on a student.) Read the sentence that tells the main thing person 3 did. (*Tim rode a bike.*)

21. (Call on a student.) Read the sentence that tells the main thing person 4 did. (*Mr. Garcia caught a large fish on his line.*)

► EXERCISE 5 Completing a Paragraph that Reports What an Individual Did

14. Write the main thing person 1 did. Write the main thing person 2 did. Write the main thing person 3 did. Write the main thing person 4 did. Write the main thing person 5 did. Write the main thing person 6 did. Write the main thing person 7 did. Write the main thing person 8 did. Write the main thing person 9 did. Write the main thing person 10 did. Write the main thing person 11 did. Write the main thing person 12 did. Write the main thing person 13 did. Write the main thing person 14 did. Write the main thing person 15 did. Write the main thing person 16 did. Write the main thing person 17 did. Write the main thing person 18 did. Write the main thing person 19 did. Write the main thing person 20 did. Write the main thing person 21 did. Write the main thing person 22 did. Write the main thing person 23 did. Write the main thing person 24 did. Write the main thing person 25 did. Write the main thing person 26 did. Write the main thing person 27 did. Write the main thing person 28 did. Write the main thing person 29 did. Write the main thing person 30 did. Write the main thing person 31 did. Write the main thing person 32 did. Write the main thing person 33 did. Write the main thing person 34 did. Write the main thing person 35 did. Write the main thing person 36 did. Write the main thing person 37 did. Write the main thing person 38 did. Write the main thing person 39 did. Write the main thing person 40 did. Write the main thing person 41 did. Write the main thing person 42 did. Write the main thing person 43 did. Write the main thing person 44 did. Write the main thing person 45 did. Write the main thing person 46 did. Write the main thing person 47 did. Write the main thing person 48 did. Write the main thing person 49 did. Write the main thing person 50 did. Write the main thing person 51 did. Write the main thing person 52 did. Write the main thing person 53 did. Write the main thing person 54 did. Write the main thing person 55 did. Write the main thing person 56 did. Write the main thing person 57 did. Write the main thing person 58 did. Write the main thing person 59 did. Write the main thing person 60 did. Write the main thing person 61 did. Write the main thing person 62 did. Write the main thing person 63 did. Write the main thing person 64 did. Write the main thing person 65 did. Write the main thing person 66 did. Write the main thing person 67 did. Write the main thing person 68 did. Write the main thing person 69 did. Write the main thing person 70 did. Write the main thing person 71 did. Write the main thing person 72 did. Write the main thing person 73 did. Write the main thing person 74 did. Write the main thing person 75 did. Write the main thing person 76 did. Write the main thing person 77 did. Write the main thing person 78 did. Write the main thing person 79 did. Write the main thing person 80 did. Write the main thing person 81 did. Write the main thing person 82 did. Write the main thing person 83 did. Write the main thing person 84 did. Write the main thing person 85 did. Write the main thing person 86 did. Write the main thing person 87 did. Write the main thing person 88 did. Write the main thing person 89 did. Write the main thing person 90 did. Write the main thing person 91 did. Write the main thing person 92 did. Write the main thing person 93 did. Write the main thing person 94 did. Write the main thing person 95 did. Write the main thing person 96 did. Write the main thing person 97 did. Write the main thing person 98 did. Write the main thing person 99 did. Write the main thing person 100 did.
